Esiphezini Preschool Project

We had a great time with Emmanuel Zihove and lots of friends at our Zimbabwe Dessert Night on November 27. We raised \$ 2458 in the silent auction and another \$ 690 in donations towards the Esiphezini Preschool Project. We have set the goal to raise \$ 20,000 before the end of December for this project. That will enable the team in Zimbabwe to begin the next phase of building the pre-school classrooms.

Sonrise Zimbabwe Mission Trips in 2012

We currently have three mission trips planned for the first half of 2012. Trips 1 & 2 are still open for participants. Please contact Al Miller through the Sonrise office for more information.

Team 1 will invest the last couple of weeks in March working at the feeding centres in Harare and Musana. We hope to construct a chicken feeding initiative at Mbare and work with several centres.

Team 2 will be a building team; they will depart about April 18 and will construct the third building at Kadoma and finish the exteriors of the first two buildings.

Team 3 is sponsored by Curves Vernon and will be working mostly at Musana; building beds for the dormitory and serving the children.

Missao Para Juventude Mozambique

This fall the government in Mozambique has enforced some of their regulations and this has affected our the orphanage we support. For the most part these are positive requirements but have caused some adjustments and they ask for our continued prayer. Among many requirements, they have been most affected by the following ones:

1. Every child with a known relative must leave the institution to be reunited with their relatives.
2. Every child who has reached the age of 18 years must leave the institution.
3. Any institution which takes care of children must, among many other things have proof of funds as proof of its sustainability.

The first two have temporarily reduced the orphans from 69 to 50 causing pain to many, but the government will be now be submitting new eligible children to their care. The third requirement has meant that the majority of the staff has been laid off, however many of them have continued as volunteers.

Canada Helps

We remind you that donations to Zimbabwe Orphan Care can be made online at www.canadahelps.org to Sonrise Church.

Zimbabwe Orphan Care

Our December 1st donations toward Orphan Care totalled \$ 8320. These funds are distributed to six Orphan centres in Zimbabwe (Kadoma, Musana, Rugare, Mbare, Bulawayo, & Wedza) and one in Mozambique. This cares for hundreds of orphans and impoverished children.

Please continue to help us increase our partners through distribution of the video and pamphlet.
